LOGO

As we all know a logo design is for immediate recognition, inspiring trust, admiration, loyalty and an implied superiority. SAASOA embarked on finding a logo that would bring the members together whilst instilling trust within the industry. It is our pleasure to unveil the new SAASOA logo

The circle: - The merger of the 3 associations that is ASL; ASABOSA & CLOF is represented by the circle which now reflects the completion of the process of the merger. It further represents unity, continuity, infinity and security, that we are now held together by one common goal. The name South African Association of Ship operators is engraved in the circle.

The anchor: - It represents that as a nautical industry, we are held together, steadfast and we are secure.

The compass: - It represents our industry as a global player.

Our colours

Blue is natural colour from the colour of the sky and the sea

And

Gold is the colour of riches and prosperity.
